News & Notes

Saturday May 2, 2026 @ 10:00 AM

Have you donated to SHoWLE yet? Central Ave, Toledo 43606 Meeting Room A

SHoWLE does operate with membership dues but we also encourage people to donate above and beyond their yearly dues if they can. We use donations to further our mission to educate the public about Humanism and build a Humanist community in the Greater Toledo NW Ohio area.

One use of donations is to pay for our booth space at the Old West End Festival which is about \$150 and we will be using donations for the coming visit of AHA Executive Director Fish Stark in September - for example, the venue cost \$100 to rent.

[If can help out, please donate today](#)

You can also send us a check or money order to SHoWLE PO Box 6433 Toledo, OH 43612-0433.

Survey still open

SHoWLE has a survey open. We are looking for the views of our members and friends. Your answers will help guide us in programming and events for the rest of 2026 and beyond

Save the Dates

June 6th and 7th we will have a booth at the Old West End Festival. If you would like to help us out feel free to volunteer.

June 20th is our Summer Picnic at the Sycamore Shelter on the east side of Wildwood Metropark - the plan is for a potluck style and more details forthcoming soon.

Introducing Our Public School Curriculum Opt-Out Form

Back in January we created an opt-out form parents can use to opt their children out of public school curriculum as a result of the Mahmoud v. Taylor US Supreme Court case.

- Violate or substantially conflict with your sincerely held religious beliefs;
- Interfere with your right to direct your child's religious upbringing;
- Expose your child to religious or moral viewpoints that undermine your family's religious teachings or practices.

For example, here in Ohio there is a law proposed that would force public-schools to show a biased video produced by an anti-abortion group. The video is called Baby Olivia and is meant to bully kids into not having abortions. This opt-out form would exempt your child from watching it.

There is another proposed law to install a curriculum called The Success sequence that would expose children to a religiously biased view of how they should live their lives. This form would protect your child from that nonsense.

News to Know

Change of Address

SHoWLE recently renewed our PO Box for the next 3 months. We tend to spend about \$200 a year on PO Box rent but in looking at what we spend money on and what return we get doesn't make the use of a PO Box a good thing. We don't get a lot of mail and the security aspect and the desire to have a mailing address that doesn't change depending on who serves as leaders has also not justified paying for a PO Box. We intend to let the current box go at the end of the current rental period and have our mailing address be Doug's address - [2541 Schroeder Ct Toledo, OH 43613](#). It will take some time to be changed on our various printed material and website.

If you have any questions about this change please let us know.

Update Your Profiles

Members can update their profiles on our website. When you joined the group there were options to choose like if you wanted to be in a future directory, if you wanted to be texted reminders, and if you were in the AHA. There is also a box to add the names of others covered under your Household membership for those who have them.

All of that information can be changed on your profile at anytime.

<https://humanistswle.org/register/edit-your-profile>

A video showing how to use the member page is here:

Photo Waiver

Just a reminder that by attending our public meetings and events you grant SHoWLE the use of your image or likeness for promotion of the group and our mission. If you think it will be an issue for you please reach out to Douglas or a Board member before a meeting or event so we can be sure to avoid you and crop you out of published images. We do not use full names in public materials.

SHoWLE Meet-Ups

Do you have a one time event you plan to attend and think the group would enjoy or are okay with some company? You can now let us know and we can add the information to our calendar to let other members and friends know about it. We call it Meet-up and it will get a blurb on the event page.

Meet-ups can be anything from movie night to touring a museum but you wouldn't mind some people from SHoWLE going with you. SHoWLE doesn't endorse these events but allows members to let others know about some fun social event they might want to join.

Just fill the form at the link below or send us an email to president@humanistswle.org with the details.

SHoWLE reserves the right to decline to promote any submitted event and we are not able to promote strictly political events that are limited to one candidate or party (for example like a fundraiser event).

We've joined Walmart Spark for Good

Walmart recently launched Walmart Spark Good Round Up where customers can round up their purchases to the nearest dollar and donate

the change to their favorite charity. We would love for you to choose us as your charity to receive these donations every time you shop on Walmart.com or in-store at Walmart.
